

Your New 18ft Dream Delight

The 18ft Dream Delight is meticulously crafted right here in Australia, ensuring top-tier quality and forward-thinking design. This caravan embodies off-grid resilience, perfectly tailored for Australia's challenging terrains. It boasts a sturdy 4" H/Duty Chassis, dependable Leaf suspension, and efficient solar panels accompanied by a 30A regulator. Every layout has been designed with precision, offering practicality while radiating luxury. Ideal for duos yearning to traverse our vast nation, the Dream Delight ensures adventure without sacrificing life's finer comforts.
